Nebraska Companies Transition to SWPP – Effective April 1, 2009

The following list contains the SWPP-requested source/sink points to use when sourcing or sinking power in the Nebraska companies. All current CONFIRMED MAPP Schedule F and Member Tariff TSRs that source or sink in the Nebraska CAs moving to SWPP will still be valid for tagging purposes. Any REDIRECT request will need to conform to the SWPP-requested source/sink points.

New POR/POD points:

- MEC.NPPD    MEC.LES
- MEC.OPPD    WAUE.NPPD
